

Dr. Dabber Warranty

If your Ghost Battery is defective or has stopped working, please follow the instructions to send it back to us for repair. Our warranty only covers the Dr. Dabber battery as both the Ghost atomizer and the Globe atomizer are replaceable, and should last between 4-6 weeks depending on usage. When returning your Dr. Dabber battery, please send the battery and charger ONLY. We will not accept a package with used atomizers included.

Side note - The Globe attachment is not under warranty as it is a glass product and the Globe atomizer within is replaceable.
